- WB p. 62
- Online resources: Extra digital activities, Grammar Checkpoint; Teacher's resources, Video 21 – Grammar Animation

LESSON 2

WARM-UP | 5–6 minutes

1 (T–S, S–T) Exercise 1. Activate Ss' interest in the topic. Ask Ss if they know any unusual schools and what people learn there. Elicit ideas from individual Ss.

2 (T–S, S–T) Ask Ss to turn to Exercise 2. Elicit descriptions of the photo. Ask Ss to try and guess what children do at the unusual school in the photo. Elicit ideas, but do not confirm answers yet. Give Ss 1 minute to read and check their ideas.

PRESENTATION | 10 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 3. Check that Ss understand the meaning of *a stunt performer*. Give them 3 minutes to read GRAMMAR FOCUS 1 and complete the rules for becoming a stunt performer and then 2 extra minutes to check their answers in pairs and discuss the rules there. When they have finished, play the recording so that Ss can listen and check their answers (Exercise 4). Then go through GRAMMAR FOCUS 1 with the class. Explain the concept and the usage of *must/mustn't*. After each example sentence, elicit more sentences that are true for Ss, e.g. *I must do my homework*. Make sure Ss give examples that clearly show the difference between *mustn't / don't have to*. Also remind Ss the rules for using modal verbs. With the exception *of have to*, modals don't use *to* before the infinitive. As an alternative, go through GRAMMAR FOCUS REFERENCE AND PRACTICE 5.2 on p. 131 and tell Ss to complete Exercises 1 and 2 individually. Do a quick class check. Optionally, this could be given as homework.

TIP

Ss often use *to* after modal verbs (e.g. *I must ~~to~~ go. / I shouldn't ~~to~~ go.*). Highlight the form clearly for Ss and give thorough controlled practice. Correct the problem at appropriate stages of the lesson to prevent fossilisation.

PRACTICE 1 | 5–7 minutes

1 (S–S, S–T, T–S) Ss do Exercise 5 individually. Give them 2 minutes to complete the sentences and to compare their answers in pairs. Do this as an oral drill to involve everyone. Reelicit the concept for each sentence while giving feedback.

2 (T–S, S–T) Refer Ss to Exercise 6. Give them 1 minute to read the conversations and decide if Person B gives good advice. Then elicit the answers and check.

PRACTICE 2 | 8–9 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 7. Give them 3 minutes to read GRAMMAR FOCUS 2 and complete the conversations. Then give them 2 extra minutes to check their answers in pairs and discuss the rules. Check answers and the concept of advice/recommendation by asking: *Do you have to go to a film school? (No, but it's a good idea.)* Point out that the letter *l* in *should* is silent. Then go through GRAMMAR FOCUS 2 with the class. Check the concept and the usage of *should/shouldn't*. After each example sentence, elicit more sentences that are true for Ss, e.g. I *should help my mum at home.*

TIP

See Culture notes in TB p. 155 for information about Hollywood.

PRODUCTION | 5–7 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 8. Give them 2 minutes to complete the sentences to make them true for them using the ideas in the box. Monitor while Ss write, to check the accuracy of their sentences. Then invite Ss to share their sentences with the class. Prompt Ss to self-correct or correct each other's errors of meaning, form and pronunciation. Take notes of what you hear. Then give some feedback. Optionally, you can ask different Ss to report what their friends said.

LESSON 3

WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Ask Ss a few warm-up questions like: *How many people are there? Who are they? Where are they? What are they doing? Do you think Jacob is happy because his school starts at 8?* Play Video 21 – Grammar Animation from the Teacher's resources and stop after the introduction (00:26). Elicit ideas, but do not confirm answers at this stage. Tell Ss that they will find out the answers when they watch the rest of the animated clip. At this stage Ss should have understood that Jacob, Maria and Jessica are in a TV programme and will talk about likes and dislikes related to their schools.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the clip carefully. Ask if their predictions about Jacob were right. Ask them to answer the following questions: *How many hours does Jacob think students should sleep? Why does Maria think it's good to get up early? What does Maria not like about school? Who disagrees with Maria about wearing uniforms? What does Jessica think about the food in the canteen? Whose mum is happy with school meals? What does Jacob think they should learn at school? Who else thinks they should learn to drive?* Play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the modal verbs and *have to*.

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Discuss how we form sentences with modal verbs and *(don't) have to*. Then ask Ss if they can remember any sentences with modal verbs and *have to* from the video. Elicit answers and write them on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put more sentences on the board. Then recheck the form and the concept of obligation, prohibition, lack of necessity and advice/recommendation.

2 (T–S, S–T) For Ss who still do not understand when and how to use modal verbs, use the teacher's explanation part of Video 21 – Grammar Animation from the Teacher's resources (01:49–03:58). Optionally, if you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

You can play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there is a modal verb or *(don't) have to*. Ask Ss to explain why it is used. You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

PRODUCTION | 15 minutes

(S–S) Explain to Ss that they are going to prepare similar dialogues in groups. Explain that the dialogues won't have to be exactly the same, but they will have to use some of the language on the board. Divide Ss in groups of four and let them prepare for the dialogue. Ss should present their dialogues in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 62 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 5.2, Grammar.

3 Ask Ss to think about their favourite parts of the school.

CONTINGENCY PLAN

Refer to TB p. 62 for extra activities.
