LESSON 2

WARM-UP | 3–5 minutes

1 (T–S, S–T) Books closed. Create interest and activate vocabulary Ss already know. Ask: *Are you interested in sports? Which sports do you do? Which exciting or dangerous activities do you do or would you like to do? Do you like climbing? What do you think about mountain climbing? Why do you think some people like climbing hills or mountains? What do they like about climbing mountains?*

2 (T–S, S–T) Exercise 1. Books closed. Ask Ss what they know about Mount Everest. Ask them if they know who were the first people to climb to the top of Mount Everest. Elicit ideas, but do not confirm answers at this stage. Tell Ss that they will find out the answers when they listen to a radio programme. Play the recording and check the answers.

TIP

See Culture notes in TB p. 156 for information about Mount Everest, George Mallory, Sir Edmund Hillary and Tenzing Norgay.

3 (S–S, T–S, S–T) Ask Ss to look at Exercise 2. Give them 1 minute to read through the events. Then play the recording again for Ss to put the events in the order they were mentioned. Then give Ss 1 extra minute to check their answers in pairs before doing a class check.

PRESENTATION | 6–7 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 3. Put them in pairs and ask them to read GRAMMAR FOCUS 1 and explain the rules. Then give them 2 minutes to look at the verbs in blue in Exercise 2 and complete the past forms of regular verbs below, then check. Explain that there are two types of Past Simple verbs: regular verbs and irregular verbs, and that regular verbs add *-ed* to the base form of the verb. Go through GRAMMAR FOCUS 1 with the class. Write the verbs on the board, but do not check pronunciation yet. Elicit the rules: Underline the endings *-d* and *-ed* and ask: *When do you add* -d*?* (with verbs ending in -e). Then underline the ending *-ied* in *tried* and ask: *What does the* -y *change to? (-i).* As an alternative, go to GRAMMAR FOCUS REFERENCE AND PRACTICE 6.2 on p. 132 and ask Ss to complete Exercises 1–3 individually. Do a quick class check. Optionally, this could be given as homework.

PRACTICE | 18–20 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 4. Drill the three verbs given in the example box and elicit the difference in the sound of the *-ed* ending. Explain the pronunciation rules for *-ed* endings: verbs end in the */d/* sound after vowels and voiced consonants, except for */d/*; verbs end in */t/* after unvoiced consonants, except for */t/*; and verbs end in */ɪd/* after */d/* and */t/*. Then Ss try to guess the sounds of the verbs in Exercise 3. If there are any disagreements, write them on the board with a question mark. Then play the recording so that Ss can listen and copy the correct forms in their books. Do not check at this stage. Ss will check their answers in Exercise 5.

TIP

The pronunciation of the *-ed* endings in regular verbs is a common problem for Ss. They over-generalise the rule for verbs like *wanted, decided* and pronounce all *-ed* endings in the same way: */ɪd/*. It is very important to highlight and correct this mistake at all times to prevent fossilisation.

2 (S–S) Exercise 5. Play the recording so that Ss can listen and check their answers. It may be a good idea to drill once more to confirm they have retained the verbs. Practise the words using choral drilling and individual repetition.

3 (S–T, T–S) Refer Ss to Exercise 6. Give them 1 minute to complete GRAMMAR FOCUS 2 with the underlined verbs in Exercise 2. Then play the recording so that Ss can listen and check their answers. Practise the verbs using choral drilling and individual repetition.

TIP

It is important for Ss to know that irregular verbs are vocabulary, not grammar, and they have to learn them. Refer them to the list of irregular verbs on p. 142. Advise them to refer to it constantly and memorise new irregular verbs as they appear in the book.

4 (S–S, S–T, T–S) Ss do Exercise 7 individually. Give them 2 minutes to complete the sentences and then to check their answers in pairs before doing a class check. Elicit and drill the verbs.

5 (S–S, S–T, T–S) Ss do Exercise 8 individually. Give them 2 minutes to complete the text about Hillary and Tenzing and to check their answers in pairs before doing a class check. Monitor and provide support where necessary. Elicit and drill the verbs.

PRODUCTION | 6–8 minutes

(S–S, S–T, T–S) Tell Ss to think about all the activities they did before they got to school (e.g. get up, have a shower, have breakfast, get dressed, brush teeth, walk to school). Give them 3 minutes to write as many sentences as they can in the Past Simple. Monitor while Ss do the activity and make notes of their performance (accuracy of language, pronunciation and fluency) for later feedback or assessment if required. When Ss are ready, put them in groups of three. Give them 2 minutes to compare their sentences and try to find activities which they all did. Invite groups to share their findings with the class. Then give some feedback based on your notes.

HOMEWORK

1 Give Ss WB p. 74 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 6.2, Grammar.

3 Ask Ss to write down sports and activities they like and dislike.

CONTINGENCY PLAN

Refer to TB p. 74 for extra activities.
