LESSON 5

WARM-UP | 3 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 1. Put them in pairs and give them 2 minutes to discuss the questions. When they have finished, elicit ideas from different Ss giving reasons for their answers.

2 (T–S, S–T) Tell Ss to look at the photo of the woman, but cover the questions and answers. Ask Ss to try and guess who the woman is, how old she is, what she does, etc. Elicit ideas from different Ss, but do not confirm at this stage. Tell them that they will find out the answers when they read about her in Exercise 2.

PRESENTATION | 11–13 minutes

1 (S–S, S–T, T–S) Ss do Exercise 2 individually. Give them only 2 minutes to do the matching activity and then 1 extra minute to check their answers in pairs before doing a class check. Ask Ss if their ideas about Nancy were correct and which things about her surprised them.

2 (S–S, S–T, T–S) Refer Ss to Exercise 3. Give them 1 minute to complete the GRAMMAR FOCUS and then 2 extra minutes to read the examples in pairs and discuss the rules. Then go through the GRAMMAR FOCUS with the class. Check the meaning of each adverb using the sentences, e.g. for the first sentence, ask: *Did he arrive a long time ago?* (No) *Is the sentence positive or negative?* Then elicit and check the position of each adverb in the sentences. Explain that we use the Present Perfect with *just* to say that something happened a very short time ago, with *already* to emphasize that something has happened and can be used to contradict what someone else has said, and with *yet* in questions and negatives to mean that although something hasn't happened we think it is going to happen in the future. If possible, elicit personalised examples for each adverb, e.g. *We haven't had lunch yet. I've already got 500 friends on Facebook.*

TIP

Ss are familiar with the Present Perfect, but may have problems with the meaning of the adverbs *just, yet* and *already* and their position in a sentence, e.g. ~~*I've just done it three days ago. Has he yet come?*~~ Check the meaning carefully and monitor. Correct word order consistently.

PRACTICE | 12–14 minutes

1 (S–S, S–T, T–S) Ss do Exercise 4 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Check the form and meaning of the adverbs and their position in the sentences again.

2 (S–S, T–S, S–T) Ss do Exercise 5 individually. Discuss the example with the class and elicit how we form Present Perfect questions. Give Ss 3 minutes to write questions and to check their answers in pairs. When they have finished, check questions and ask Ss to read the text in Exercise 4 and answer the questions. Do a quick class check.

3 (S–S, T–S, S–T) Refer Ss to Exercise 6. Give them 2 minutes to write questions about the things on Nancy's list, then check. Put Ss in pairs and give them 2 minutes to ask and answer the questions. Monitor, support and identify problems as they do this.

PRODUCTION | 7–9 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 7. Give them 1–2 minutes to complete the sentences to make them true for them. Monitor while Ss write, to check the accuracy of their sentences. Then invite Ss to share their sentences with the class. Prompt Ss to self-correct or correct each other's errors of meaning, form and pronunciation. Take notes of what you hear. Then give some feedback. Optionally, you may ask different Ss to share what their partners said.

EXTRA ACTIVITY

(S–S, S–T, T–S) Ask Ss to prepare lists similar to Nancy's in Exercise 6. Give them 1 minute to do this. Then put them in pairs and ask them to swap their lists. Tell them that they will take turns to ask and answer questions about the things on each other's list. Encourage them to give full answers with just, already and yet and additional information when possible. Model the activity:
A: *Have you had lunch yet?*
B: *Yes, I have just had lunch. I had an omelette and some tea.*
As Ss interact with each other, walk around taking notes of what you hear. Invite Ss to share what their partners said and then give some feedback based on your notes.

LESSON 6

WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Ask Ss a few warm-up questions like: *Who are the people? Where are they? What are they going to talk about?* Play Video 29 – Grammar Animation from the Teacher's resources and stop after the introduction (00:16). At this stage Ss should have understood that it is a TV show and the presenter Sarah is going to talk to Jane, Liz and Max about their trip. Then ask: *Where do you think they have travelled to?* Elicit ideas with reasons, but do not confirm answers at this stage. Tell Ss that they will find out the answer when they watch the rest of the animated cartoon.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the clip carefully and answer the following questions: *How are they feeling? Is this their first prize? When did they return back from Mongolia? Why did they go to Mongolia? Was it their first time in Mongolia? Which other countries have they visited? What happened two days ago? What kind of interesting food and drink have they tried? What are they going to do with the money?* Play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the Present Perfect.

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Ask them if they can remember any sentences in Present Perfect from the video. Write them on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put the missing ones on the board. Then discuss how to use the adverbs, *just/already/yet*, and when to use Present Perfect and Past Simple and what the differences between the tenses are.

2 (T–S, S–T) For Ss who still do not understand Present Perfect and the usage of the adverbs *ever, never, just, already, yet* and the difference between the Past Simple and the Present Perfect, use the teacher's explanation part of Video 29 – Grammar Animation from the Teacher's resouces (01:57–04:47). Optionally, if you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

You can play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there is the Present Perfect or the Past Simple. Elicit from Ss the meaning of the sentence and why that tense is used. You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

As an alternative, go to GRAMMAR FOCUS REFERENCE AND PRACTICE 7.5 on p. 134 and ask Ss to complete Exercises 1–3 individually. Do a quick class check. This could also be given as homework.

PRODUCTION | 15 minutes

(S–S) Explain to Ss that they are going to prepare similar dialogues in pairs. Explain that the dialogues won't have to be exactly the same, but they will have to use some of the language on the board. Divide Ss in groups of four and let them prepare for the dialogue. Ss should present their dialogues in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 90 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 7.5, Grammar.

3 Ask Ss to bring in a map of their local area (or they can use a map app on their phone, if they have one).

CONTINGENCY PLAN

Refer to TB p. 90 for extra activities.
