OVERVIEW

Duration: 40 minutes

Objectives:
- Can recognise when speakers agree in a conversation conducted slowly and clearly (GSE 36 – A2+).
- Can give simple opinions using basic fixed expressions (GSE 34 – A2).

Resources:
- SB p. 103
- WB p.103
- Online resources: Teacher's resources, Video 37 – Role-play Video: Agreeing and disagreeing

LESSON 8

WARM-UP | 6–8 minutes

(T–S, S–T) Activate Ss' interest in the topic. Ask: *Do you always share the same opinions with your friends and family? What kind of things do you disagree about?* Elicit answers from different Ss and discuss the topic briefly with the class. Optionally, put Ss in pairs and ask each pair to write five sentences that other Ss may agree or disagree with, e.g. *The cinema is better than the theatre. We should have less homework. There should be more shorter holidays instead of a long summer holiday.* Set a time limit and then put the pairs in groups of four. The pairs take turns to read out their sentences and the other pair says whether they agree or disagree with them. Ss must give reasons for their opinions. Invite groups to tell the class about any sentences they all agree with.

PRACTICE | 20–22 minutes

1 (S–T, T–S) Ask Ss to turn to p. 103 and look at Exercise 1. Give them 1 minute to do the matching activity. Elicit translations of the sentences.

2 (T–S, S–T) Refer Ss to Exercise 2. Give them 2 minutes to read about Earth Hour and decide if it's a good idea. Elicit ideas from Ss with reasons why and discuss the topic briefly with the class.

3 (S–T, T–S) Refer Ss to Exercise 3. Play the recording so that Ss can listen to Alice and Leo talking about Earth Hour and answer the questions. Then elicit the answers and check. Optionally, you can play Video 37 – Role-play Video from the Teacher's resources so that Ss can both listen and watch.

4 (T–S, S–T) Ss do Exercise 4 individually. Give them 2 minutes to complete the dialogue with the words and phrases from the SPEAKING FOCUS. When they have finished, play the recording again so that Ss can listen and check their answers. Go through the SPEAKING FOCUS with the class and make sure Ss understand all of the phrases. Wherever possible, suggest alternative phrases to replace the ones given there. Drill the phrases as a whole class and with random individuals if necessary.

5 (S–S) Give Ss time to practise the conversation in Exercise 4 in pairs. Then invite volunteers to role-play the conversation. Encourage them to use the correct intonation to show agreement or disagreement. Optionally, Role-play Videos A and B could also be used. Ss hear one side of the dialogue and have to respond to the utterances as quickly as possible. This could be done using choral or individual drilling.

6 (S–S, S–T, T–S) Ss do Exercise 5 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Optionally, this could be done as an oral drill to involve everyone.

PRODUCTION | 7–9 minutes

1 (S–S) Exercise 6. Put Ss in A/B pairs to act out conversations similar to the ones in Exercise 5. Explain that one of them will read A's opinions in Exercise 5 aloud and the other one will agree or disagree and add their opinion. Tell Ss that they should use phrases from the SPEAKING FOCUS whenever possible in their conversations and to act out as realistic as possible. As Ss interact with each other, go round the class monitoring and taking notes of any problems or errors to discuss while giving feedback.

2 (S–S) Ss change roles. Follow the same procedure as above. Invite pairs to act out their conversations in front of the class. Finally, give some feedback based on your notes. As an alternative, if the optional warm-up activity was used, put Ss back in the same groups. They choose one statement each and discuss it again within their groups, this time, using phrases from the SPEAKING FOCUS to give their opinions.

HOMEWORK

1 Give Ss WB p. 103 as homework.

2 Ask Ss to bring in advert/protest-style photos from a magazine on issues they are interested in, e.g. photos or adverts about recycling, rainforests, pollution, etc.

CONTINGENCY PLAN
