LESSON 2

WARM-UP | 6–7 minutes

1 (T–S, S–T) Write the number 1 on the board and gesture to Ss to tell you the next number, and so on until you reach 10. Then ask Ss what comes next, and if they start to call out 11, 12, direct them to the example in Exercise 1 and tell them to choose the correct numbers to write next to the words. When they have finished, do a class check.

2 (T–S, S–T) Exercise 2. Refer Ss to p. 140. Play the recording for Ss to repeat the cardinal numbers, in chorus and individually.

PRACTICE | 25–26 minutes

1 (S–S, T–S, S–T) Ss do Exercise 3 individually. Give them 2–3 minutes to read the website and do the matching activity. Then ask them to check their answers in pairs before doing a class check.

2 (S–T, T–S) Exercise 4. Refer Ss to WORD STORE 0.2 p. 1. Give Ss 2–3 minutes to complete the activity with the names of nationalities. Then Ss listen and check their answers. Practise the nationalities using choral drilling and individual repetition.

3 (S–S, T–S, S–T) Refer Ss to the REMEMBER THIS box in Exercise 5. Go through the example with the class. You could also complete the first gap with the class as another example. Point out that *I'm* is short for *I am*, but that people usually use *I'm* in conversation. Give Ss 2 minutes to complete the rest of the REMEMBER THIS box individually and then 1 extra minute to check their answers in pairs before doing a class check. Encourage them to use the website to help them. Then go through the REMEMBER THIS box with the whole class. Give Ss examples of how *to be* could be used. Ask them to come up with more examples.

TIP

Pay particular attention to gender here. Encourage students to use *he/she*. If they talk about a pet, remind them to use *he/she* instead of *it*.

TIP

Go through GRAMMAR FOCUS REFERENCE AND PRACTICE 0.2 on p. 124 with Ss. Tell them to complete Exercise 1 individually. Do a quick class check. This could also be given as homework.

4 (S–S, S–T, T–S) Refer Ss to Exercise 6. Go through the example with the class and check understanding. Then give Ss 4 minutes to write questions and answers in their notebooks using the prompts. After the class check, put Ss in pairs and give them 2 minutes to ask and answer the questions. As Ss interact with each other, go round the class monitoring and taking notes of any problems or errors to discuss in later feedback.

EXTRA ACTIVITY

Get students to choose a nationality, then go online to find the flag for that country. Divide the class in groups of four. Each student describes their flag, and the others have to guess the nationality. For example: *My flag is green, white and orange. Are you Australian? No, I'm not. Are you Irish? Yes, I am.*

PRODUCTION | 5 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 7. Go through the REMEMBER THIS box with the class and make sure they understand. Then put Ss in pairs and give them 3 minutes to ask and answer the questions. As they do this, walk around monitoring, supporting and taking notes of any problems. When they have finished, invite individual Ss to ask and answer the questions in front of the class. Then give some feedback based on your notes.
