LESSON 3

WARM-UP | 3–4 minutes

(S–S, T–S, S–T) To see what Ss know, point to different objects in the classroom and elicit the names and colours of them. Then refer Ss to Exercise 1. Give them 1–2 minutes to do the matching activity individually and then 1 extra minute to check their answers in pairs before doing a class check. Say the name of each colour several times for Ss to repeat.

PRACTICE | 25 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Give them 2 minutes to do the matching activity and then 1 extra minute to check their answers in pairs before doing a class check. Elicit other adjectives Ss know and example sentences with the adjectives.

2 (T–S, S–T) Refer Ss to Exercise 3. Ask Ss to look at the photos and try and guess which four things belong to Amy and which belong to Mike. Give them 2 minutes to make two lists in their notebooks. When they are ready, elicit ideas from different Ss, but do not confirm ideas at this stage.

3 (T–S, S–T) Exercise 4. Play the recording so that Ss listen and check their ideas in Exercise 3. Then do a quick class check.

4 (S–S, T–S, S–T) Ss do Exercise 5 individually. Play the recording again so that Ss listen and complete the sentences. Then give them 1 extra minute to check their answers in pairs before doing a class check.

5 (S–S, T–S, S–T) Refer Ss to the REMEMBER THIS box in Exercise 6. Look at the photos and elicit the examples: *this beanbag, that watch, these photos, those headphones*. Give Ss 2 minutes to complete the sentences about Mike's things with *this, that, these* and *those*. When they have finished, play the recording so that Ss listen and check their answers. Ask Ss to check their answers in pairs before doing a class check.

TIP

Focus on the difference between the short /ɪ/ sound in *this* and the longer /i:/ sound in *these*. Demonstrate the two sounds, exaggerating the longer sound so that Ss can hear the difference. You could put Ss in pairs and tell them to write *this, that, these* and *those* in their notebooks. As an example, write *this, that, these* and *those* on the board and ask a stronger S to call out one of the words for you to point to. Ss continue in pairs: A says a word, B points to the word she/he hears.

TIP

Go through GRAMMAR FOCUS REFERENCE AND PRACTICE 0.3 on p. 124 with Ss. Tell them to complete Exercise 1 individually. Do a quick class check. This could also be given as homework.

6 (S–S, S–T, T–S) Ss do Exercise 7 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check.

7 (T–S, S–T) Refer Ss to the REMEMBER THIS box. Go through the examples with the class. Write more examples on the board with each rule and check understanding.

PRODUCTION | 8–9 minutes

(S–S, T–S) Refer Ss to Exercise 8. Read through the rubric and the example with the class and make sure Ss understand the instructions. Then give Ss 3 minutes to draw four things that are theirs and two things that are not theirs. When they are ready, put them in pairs and give them 4 extra minutes to take turns to describe the things they drew to each other and guess which things are not their partner's. As they do this, walk around monitoring, supporting and taking notes of any problems. Then give some feedback based on your notes.
