- Online resources: Video 1 – BBC *Little Folk*

INTRODUCTION

These short video clips produced by the BBC are authentic and contain natural spoken language. They are an extension of the topics covered in all vocabulary lessons. Each video is accompanied by a Video worksheet and students are prompted to discuss the topics covered in the videos and relate them to their own experiences, improving their critical thinking skills. BBC videos can be used at the beginning or at any other time in the unit. Students can also be asked to watch these videos at home. This allows the teacher to check understanding before the lesson and adjust their lesson plan if students have found the language particularly easy or difficult.

WARM-UP | 5–6 minutes

(T–S, S–T) Lead in and create interest in the lesson. Ask Ss if they have ever been to the USA and which places they have visited there. Show Ss a map of the USA. Ask: *How many states are there in America?* (50) Brainstorm with Ss as many states of America as possible and write them on the board. See if Massachusetts is on the list. If not, add it and elicit what Ss know about Massachusetts. Then show it on the map and tell Ss that it is the most populous state in the New England region and its capital is Boston. Also explain that Natick is a town near Boston. It has population of 32,786 and is one of the fastest-growing towns in the Boston area.

BEFORE YOU WATCH | 15 minutes

1 (T–S, S–T) Exercise 1. Tell Ss that today they will watch a video about a photographer from Natick, Zev Hoover. Ask Ss to look at the photo. Tell them that this is one of Zev's photos. Elicit descriptions of the photo and have a brief class discussion.

2 (T–S, S–T) Refer Ss to Exercise 2. Tell them that Zev's project is called *Little Folk*. Allow Ss time to choose what it means. Then elicit answers and check.

3 (T–S, S–T) Ss do Exercise 3 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Ask a few questions to make sure Ss understand the meaning of the words in bold. Practise the words using choral drilling and individual repetition. Then give Ss 3 minutes to make their own sentences using the words. Monitor, support and identify problems as they do this. Then elicit sentences from individual Ss and check before going over any issues that may have appeared while you were monitoring.

WHILE YOU WATCH | 10 minutes

1 (S–S, S–T, T–S) Ss do Exercise 4 individually. Before playing the video, ask them to read the questions and options so that they know what they are watching out for. When Ss have finished, give them 1 minute to check their answers in pairs. Then elicit the answers and what was said in the video that helped them to decide on the answers or that might have made the questions difficult to answer.

2 (S–S) Refer Ss to Exercise 5. Give them 2 minutes to complete the sentences and then 1 extra minute to check their answers in pairs. Then play the video again so that Ss can watch and check their answers.

AFTER YOU WATCH | 7–8 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 6. Tell them that in a few minutes they will discuss their opinions about taking photos and about Zev's pictures. Give Ss 1 minute to prepare individually. Then put them in pairs and tell them that they must keep talking for about 2–3 minutes. As Ss interact with each other, walk around taking notes of what you hear. When they have finished, invite pairs to share what they have discussed with the class. Then give some feedback based on your notes.
