INTRODUCTION

These short clips have been given the form of a vlog. Filmed on the streets of London, they feature real people answering questions that touch upon their lives and opinions, while following the topics and themes covered in the lesson they appear in. They present the target grammar structures in a real context in small, easy-to-manage chunks for the Ss to model their own speech on. The vlogs feature unscripted, authentic, spontaneous speech of speakers of English from the UK as well as from other countries. Vlogs can be used at the end of the Grammar lesson that they appear in. Ss can also be asked to watch these videos at home. This allows the teacher to check understanding before the lesson and adjust their lesson plan if Ss have found the language particularly easy or difficult.

WARM-UP | 5–6 minutes

(S–S, S–T) Refer Ss to Exercise 1. Tell them that in a few minutes they will discuss their opinions about music. Give Ss 1 minute to prepare individually. Then put them in pairs and tell them that they must keep talking for about 2–3 minutes. As Ss interact with each other, walk around monitoring, supporting and taking notes of any problems. When they have finished, ask individual Ss to share what their partners said.

PRACTICE | 15–17 minutes

1 (T–S, S–T) Refer Ss to Exercise 2. Allow them time to read the questions so they know what they are watching out for. Then play the first part of the video. Ss listen and answer the questions. Do a class check.

2 (T–S, S–T) Ss do Exercise 3 individually. Play the first part of the video again so that Ss watch and choose the correct options to complete the sentences about Jason, then check.

3 (S–S, T–S, S–T) Ss do Exercise 4 individually. Play the rest of the video so that Ss watch and complete the sentences. Ask them to check their answers in pairs before doing a class check.

PRODUCTION | 13–15 minutes

1 (S–S) Refer Ss to Exercise 5. Read through the rubric with the class and check understanding. Then give them 2 minutes to write questions. When they are ready, put Ss in groups of four and give them 3 minutes to ask and answer the questions they have written. As Ss interact with each other, go round the class monitoring and taking notes of any problems or errors to discuss in later feedback. When Ss have finished, give them 2 extra minutes to make a list of their music preferences, favourite singers or bands and songs.

2 (S–S, T–S, S–T) Refer Ss to Exercise 6 and read the rubric with the class. Then draw the table in Exercise 6 on the board. Ask the groups to come together and prepare a list of top ten in each category and write them in the table on the board. Give them 5 minutes to do this. When they have finished, have a class discussion about the music preferences in the class.
