WARM-UP | 3–4 minutes

(T–S, S–T) Lead in and create interest in the lesson. Ask: *What have you had for lunch today?* or *What are you going to have for lunch today?* Elicit answers from different Ss. Then ask: *What is your favourite food for lunch? What do you hate eating for lunch?* Have a brief class discussion.

BEFORE YOU WATCH | 7–8 minutes

1 (S–S, T–S, S–T) Exercise 1. Brainstorm with Ss what food students in your country usually eat for school lunch. Write them in a list on the board. Then put Ss in pairs and ask what they think students in Thailand eat for lunch. Give them 1 minute to work together to make a list. Then elicit ideas and write them on the board again.

2 (S–S, T–S, S–T) Tell Ss that they are going to watch a video about lunch in a school in Thailand. Ask Ss to look at the photo. Elicit descriptions of it. Then look at Exercise 2. Give Ss 1 minute to look at the list in Exercise 2 and decide what food students in Thailand eat. Then give them 1 extra minute to compare their answers with a partner. When they have finished, elicit ideas from different Ss and have a brief class discussion.

WHILE YOU WATCH | 16–18 minutes

1 (S–T, T–S) Exercise 3. Play the video so that Ss watch and check their ideas in Exercise 2. Then elicit the name of the main ingredient of the school lunch from Ss (crickets) and what it is called in their language.

2 (S–S, T–S, S–T) Refer Ss to Exercise 4. Put them in pairs and give them 3–4 minutes to discuss the meaning of the words and make notes. Monitor and support where necessary. When they are ready, elicit the meaning of the words and check. Either make some example sentences with the words or ask Ss to come up with some.

3 (S–T, T–S) Ss do Exercise 5 individually. Give them 2 minutes to put the events in chronological order. Then play the video again so that Ss watch and check their answers.

4 (S–T, T–S) Ss do Exercise 6 individually. Give them 2 minutes to complete the recipe. Then play the second part of the video so that Ss watch and check their answers. Elicit different ideas from Ss as to why Stefan can't put in too much soy sauce.

5 (S–T, T–S) Ss do Exercise 7 individually. Give them 2 minutes to answer the questions. Then play the last part of the video so that Ss watch and check their answers.

AFTER YOU WATCH | 7–8 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 8. Give them 2 minutes to write questions in their notebooks using the prompts, then check. Put Ss in A/B pairs. Explain that they are going to role-play a conversation between a student from their country and a student from the school in Thailand. Tell them to be as realistic as possible. As Ss interact with each other, go round the class monitoring and taking notes of any problems or errors to discuss in later feedback. Optionally, invite the pairs to role-play their conversation in front of the class.

2 (S–T, T–S) Exercise 9. Ask Ss to imagine that they are the girl or the boy from the photo. Give them 5 minutes to write about their school lunch in Thailand. As they do this, walk around monitoring, supporting and taking notes of any problems. When they have finished, invite individual Ss to read their paragraphs in front of the class. Then give some feedback based on your notes.
