WARM-UP | 5 minutes

(S–S, S–T) Refer Ss to Exercise 1. Tell them that in a few minutes they will discuss their opinions about food. Give Ss 1 minute to prepare individually. Then put them in pairs and tell them that they must keep talking for about 2–3 minutes. As Ss interact with each other, walk around monitoring, supporting and taking notes of any problems. When they have finished, ask individual Ss to share what their partners said.

PRACTICE | 10 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Allow them 1 minute to read through the sentences to make sure they know exactly what to do. Tell them to underline the key words. Play the first part of the video and then give Ss 1 minute to check their answers in pairs before doing a class check. Elicit the answers and ask Ss to correct the false sentences based on the relevant extracts from the video.

2 (T–S, S–T) Ss do Exercise 3 individually. Play the second part of the video so that Ss watch and do the matching activity, then check.

3 (S–S, T–S, S–T) Ss do Exercise 4 individually. Before playing the rest of the video, ask them to read the sentences so that they know what they are watching out for. When Ss have finished, give them 1 minute to check their answers in pairs. Then elicit the answers and check.

PRODUCTION | 25 minutes

1 (S–S, S–T) Refer Ss to Exercise 5. Read through the rubric and the instructions with the class and check understanding. Then put Ss in pairs and give them 10 minutes to follow the instructions. As Ss do this, go round the class monitoring and taking notes of any problems or errors to discuss in later feedback. When Ss have finished, put their posters on the walls of the classroom and invite one S from each group to present and describe their poster to the class.

2 (S–T) Refer Ss to Exercise 6. Read through the rubric with the class and check understanding. Then give them 2 minutes to make a shopping list. When they have finished, invite different Ss to tell the class about what kind of healthy breakfast they have chosen and what is needed to prepare it.
