WARM-UP | 5 minutes

(S–S, S–T) Refer Ss to Exercise 1. Put them in pairs and give them 1–2 minutes to ask and answer the questions. As Ss interact with each other, walk around monitoring, supporting and taking notes of any problems. When they have finished, ask individual Ss to share what their partners said.

PRACTICE | 15 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Allow them 1 minute to read through the sentences to make sure they know exactly what to do. Tell them to underline the key words. Play the first part of the video and then give Ss 1 minute to check their answers in pairs before doing a class check. Elicit the answers and ask Ss to correct the false sentences based on relevant extracts from the video.

2 (S–S, S–T, T–S) Ss do Exercise 3 individually. Before playing the second part of the video, ask them to read the sentences and options so that they know what they are watching out for. When Ss have finished, give them 1 minute to check their answers in pairs before doing a class check.

3 (T–S, S–T) Ss do Exercise 4 individually. Play the rest of the video so that Ss watch and complete the sentences, then check.

PRODUCTION | 16–18 minutes

1 (T–S, S–T) Refer Ss to Exercise 5. Read through the rubric with the class and make sure Ss understand it correctly. Then, as homework, ask Ss to interview their teacher, family members and friends and write a paragraph about their school memories.

2 (S–S, S–T) Refer Ss to Exercise 6. Read through the rubric with the class and make sure Ss understand it correctly. Then put Ss in pairs and give them 10 minutes to choose a country for one of the five continents and surf the Internet to look for important dates in the history of education in that country. Monitor and support if necessary. When they are ready, invite pairs to share what they have found with the class. As homework, ask Ss to do the same for the other four continents. Optionally, if you have enough time, you can ask Ss to do this for two continents in class and give the other three countries as homework.
